Sequel Stallions New York will REQUIRE all Mares coming to the breeding shed be vaccinated for Equine Herpes Virus Type-1 (i.e. Rhinomune, Pneumabort-K, etc.) between 7-90 days of being covered by a SSNY stallion.

Date of Vaccination _____ Type of Vaccination _____

Administered by _____

Do we have permission to tranquilize your mare if necessary? Yes No

Please indicate if mare has any characteristics or conditions the breeding shed should be aware of (eg: difficult to twitch, sight impairments, etc.)

CEM Requirements: SSNY will comply with the 2023 USDA & NY Dept of Agriculture regulations pertained to CEM. All import mares are required to provide proof of successfully completing CEM testing procedures prior to being bred.
